Single Page Apps

Design Systems

Python Development

TDD

ABOUT

Hello there, I am an intermediate level full stack developer with little to no experience with any developer jobs yet, but I have built impressive projects that can hopefully grab the attention of any clients. I do other roles in my spare time, but right now I'm looking for any freelance gigs in this field of development.

EXPERIENCE

I currently have no work experience for now...

EDUCATION

Completed NSC

Newton Technical High School
2025

NCV in Robotics

Eastcape Midlands College
2026 - present day
